Bid #2020-01

Strike Guard Lighting Warning System and Wave Siren

Addendum #1

Q: I just received the bid request for the Strike Guard Lightning Warning System and Wave Siren. I was curious if other providers of lighting safety and alerting were able to bid on this?

A: Timberlin Golf Course currently has the Strike Guard Lighting Warning system, lightning data Receiver and Strike View Software. We are out to bid for the Wave Wireless Audible Visual Enunciation and the installation.

Q: Is there a budget amount available to the public?

A: N/A

Q: Are there any union/labor requirements?

A: No

Q: Is there a start date set for work to begin?

A: More than likely October 2019
