PRESS RELEASE

Police Holding Facility

Renovations to our holding facility jail cells have been substantially completed and just before the new year we have received authorization to begin using them again. The bid for the project was awarded to Bismark Construction in March of 2019. It was part of a joint project with the Orange Police Department who needed similar renovations.

The project is currently within budget with only some minor punch list items remaining. The safety of persons in our custody will be substantially increased as a result of these modifications. Photos below show the changes to the jail cell doors and bed.
