Greetings from the Director,

In tough times, communities find strength in people—and people find strength in their communities. In the past year, we’ve seen this time and again in Berlin as friends, neighbors, and businesses have found new ways to support each other.

In our community, older adults are a key source of this strength. Through their experiences, successes, and difficulties, they have built resilience that helps them to face new challenges. When communities tap into this, they become stronger.

Every May, the Administration for Community Living leads our nation’s observance of Older Americans Month. The theme for 2021 is "Communities of Strength" which recognizes the important role older adults play in fostering the connection and engagement that build strong, resilient communities.

I would like to thank everyone for their patience. This has been a difficult journey for all of us. With the steady progress of the vaccine administration, we are hopeful that our reopening is in the near not so distant future. We will continue to work with state and town officials to develop policies and procedures for a safe reopening plan that aligns with our Central CT Health District recommendations. We will use the Town’s Website, Facebook, press releases, emails and our ROBO calls to alert members of our re-opening.

I would like to thank the CCHD staff for working with us to get our older adults vaccinated. We held 8 clinics at the Senior Center administering approximately 260 vaccines. Between the tedious job of scheduling appointments and the actual clinics they ran very smoothly. A big part of that is how well the CCHD staff, the Emergency Management Coordinator Matt Odishoo and the Senior Center staff worked together. Kudos! Job well done!

Please remember those who gave their lives for our freedom this Memorial Day. The Sr. Center will be closed on May 31st.

What is the Special Needs Registry? The Special Needs Registry is a completely voluntary program which allows Berlin residents to make police, fire and EMS aware of any special needs or disabilities they may have in case of emergency. The information on the registry is only used for emergency purposes and is only shared with emergency responders. The Registry is a helpful tool that allows police, fire and EMS to better serve you in times of need. For example, should there be a need to evacuate a neighborhood, emergency services will be aware of your needs. Or, should you call 9-1-1 for an emergency, the emergency dispatchers will be better able to assist you. The BPD has changed the form so you can either call Tammy Wright at 860-828-7176 and leave a message if she doesn’t answer, or you can email BPD at specialneedsregis-try@berlinpd.org and ask for a new form. The forms will go out shortly for those that are already on the list and for those that are new to requesting a form.

Berlin Police Dept. Drug Collection Box—If you have any old prescriptions and over the counter medicines that you need to get rid of the safest way to do so is by bringing them to the Berlin PD Drug Collection Box at the Berlin Police Dept. which is located by the Berlin Town Hall. They ask No Aerosol, No Needles and No Liquids. The Berlin PD will then bring them to an incinerator to be destroyed. If you have any questions please call the BPD at 860-828-7080.

Phone Scams—The Berlin Police Department would like to remind you to beware of various common phone scams. Many of these scammers call about an overdue Eversource or other utility bill or some even disguise their voice and claim to be a grandchild or family member in trouble and in need of money. All the scams have the same common goal and that is to get you to send money immediately. The caller will have some detailed information about you that they got from the internet making you believe that they do have some legitimate connection to you. They will coach you on how to wire money or buy gift cards or other money cards in order to pay right away to prevent something bad from happening or having your power shut off. DON’T FALL FOR IT! Don’t give them any personal information at all and don’t attempt to pay a debt to anyone using gift cards, prepaid money cards or Western Union. Once you spend that money, police are seldom able to get it back. Remember, you can always call police if you are uncertain.
